

Every day we listen to K-Love radio station they give us local info we wouldn't get any other way! K-Love listeners in our city find out about wonderful local events, meet each other, help others in our community, support local non-profit agencies that are good for all of our citizens. If K-Love was displaced by an LPFM station, there would be a whole category of uplifting, socially redeeming, local Christian news that would be lost, which would hurt the whole community.
